A Guide to Choosing, Riding and Maintaining Your Bicycle

This wikibook is a comprehensive guide to choosing, riding and maintaining bicycles. It aims to be easily understood by the rank amateur whilst also having useful information for budding or experienced bike mechanics.

If you come across anything that you don't understand, please *do* leave a message on the relevant discussion page, and a contributor will get back to you. If you're having trouble, chances are someone else is too. If you have something to contribute to this wikibook, please read the [Contributors](#) page for guidelines and then edit boldly.
