Urdu

Welcome to the **Urdu** Wikibook, a free textbook for learning Urdu! **Urdu** is one of the two official languages of **Pakistan**. It is also one of the 22 scheduled languages of India and is an official language of five Indian states. There are between 60 and 80 million native speakers of standard Urdu. According to the SIL Ethnologue (1999 data), Urdu is the fifth most spoken language in the world.
